

A COLLABORATION WITH

# ALLIANCE PROGRAM

The Alliance Program is a comprehensive business development program, hosted by UTSA SBDC PTAC, designed to increase the contract participation of DBEs at the Sub and Prime Levels. In partnership with TxDOT, we will provide required training and services in the area of:

Inspections

Legal

Safety and Flagging

Construction Machine  
Operations

Regulatory Compliance

Bidding and Estimating

Business Management and  
Development

Financial Management and  
Accounting

Above trainings will be provided by approved industry leaders. They will also provide one-on-one assistance to fine-tune deliverables for each DBE. For example, marketing training will result in each DBE having a website and marketing brochure for their business.
